**PROCLAMATION!**

I desire to call attention of our citizens to a provision of the city ordinances requiring all property owners and occupants of property in the city of Fairmont to keep the sidewalks in front of their respective properties clean. The time of the year is now at hand when it will become necessary for us to insist upon a strict observance of this law. Our civic pride will suggest the reasonableness of this provision and I feel sure that any neglect of this will be rather an oversight than otherwise.

It will be understood from this time on that all persons must keep the sidewalks clear of snow in front of their own property. This is particularly true where there is any travel on and over the sidewalks.

ANTHONY BOWEN, Mayor.

**Unable to Pay Fine Committed to Jail**

Harry Fitzhugh and Della Lytton, who were arrested on Monday night by Constable Riggs and placed in the county jail, confessed to the charges lodged against them before Justice Fleming and were each fined \$30 and costs. Fitzhugh is said to have deserted a wife and five children for the Lytton woman.

Neither party was able to pay the fine so they were sent back to the county jail. Fitzhugh will spend the time on the county roads but as there is no provision in the law for the working of women the woman will be compelled to remain in the jail.

(The West Virginian's Special Correspondent)

The West Virginian will be delivered to any home in Mannington every evening by **Smith & Millan News Dealers**

MANNINGTON, W. Va., Dec. 9.—The local constables arrested a number of negroes and took them to jail. The men were arrested on suspicion of having done the robbing in Mannington last week. The men were arrested at the instance of Squire Barack. After looking carefully into the

matter the officers found that they were mistaken in their suspicions, and the negroes were turned loose.

**City News BRIEFS**

Officer Sick Again.

Policeman C. S. Pitzer is again confined to his home on account of sickness. Mr. Pitzer suffered for several days with tonsillitis, but came back to work at about the time the wet weather began. He suffered a relapse and has been off duty again for several days.

River Rising.

The Monongahela still continues to rise slowly. The stage as recorded at the river bridge today is 16 feet 9 inches.

Train One Hour Late.

B. & O. passenger train No. 3 from Grafton was one hour late this morning and arrived in the city at 10:58.

Working in Rain.

The B. & N. construction crews are still working notwithstanding the wet weather. Water street adjoining East Park avenue has been paved and the other work is being rushed day and night. East Park and Morgantown avenues are still closed and teams are travelling by the way of Newton street.

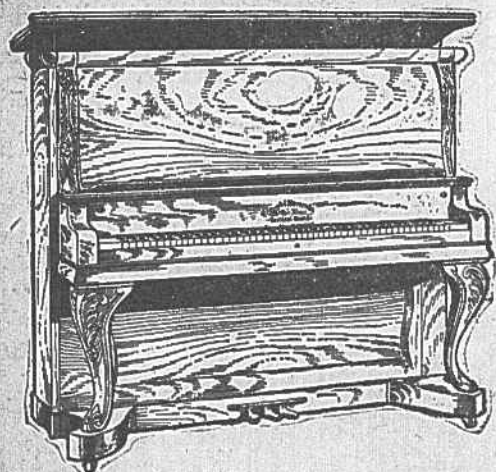

The rains have caused the fill along the railroad right of way to sink several feet in a number of places. Several more feet of dirt than was necessary was placed in the fills however to allow for the shrinkage, so no inconvenience will be caused at this time.

Condition Remains Critical.

The condition of Rev. G. W. Bent, district superintendent of the Huntington district of the Methodist Episcopal church and a former pastor of the Diamond Street M. E. Church, in this city, remains critical. Rev. Bent is suffering with blood poisoning at his home in Huntington and very little hope is held out for his recovery.

Is Improving.

The condition of Luther L. Scherr, general claim agent of the C. & O. railroad company, who was shot by an unknown man at Covington, Va., a few days ago, is somewhat improved. Advice from the C. & O. hospital at Clifton Forge is to the effect that he may recover. Mr. Scherr is a brother of Rev. J. J. Scherr, who was stationed here at one time as the pastor of the Lutheran church.
